Yearly payers

As we do every year at this time is to offer 10 places on a first come first served basis, for students to make a big saving on their monthly fees by paying for a year in advance and getting 2 months of training for free. Families are also welcome to take this option, but please remember it is only available to a total of 10 people. **There remain only 3 places left for this option, don't delay!**

Christmas class!

If you like fun, Christmas and chocolate (but not necessarily in that order) come down to Farnborough CKD on Saturday 10th of this month for two hours of seasonal silliness (what's even better is it's free)! Come in doboks and don't forget a Christmas hat!

Licence renewals

Please can all students and instructors alike take note that without a valid insurance you will not be permitted to train. Also we need you to bring in your old licences at the time you renew as we now work directly with the insurance providers and need your number from the previous insurance slip.

H. Edgington	S. Edgington	A. Munday
H. Waheed		

As explained in class you have no cover until your form and payment reach the insurers, because licences need to be renewed about 4 weeks in advance in a batched lot.
